IFMA 2016 Scholarship Recipients

The International Facility Management Association (IFMA) is a professional organization that has 24,000 members in 104 countries. During the annual conference, hosted in San Diego (CA) on October 6th, four ASU graduate students graced the stage to receive their scholarships which was a total of \$9,500 in funding. The ASU students awarded are Jake Gunnoe, Alfredo Rivera, Nguyen Le, and Charles Zulanis; all the graduate students are in the Construction Management Program with a concentration in Facility Management. What makes this scholarship special is that the students are also funded to participate in the annual conference which includes travel expenses and registration fees. Join us in congratulating our hard-working students!
